

## Fake Fans

The baseball **season** started in South Korea. It started later than is normal. The coronavirus made the start of the season happen later. Officials make hard rules.

Now, it seems that the situation got better; however, sports fans cannot come to **stadiums**. Fans are unhappy. They want to watch their favorite teams play. Some fans come to stadiums. They watch the games through the fence.

Organizers wanted to make fans happy during the first game. They set up a big board at the stadiums. Fans could watch the game online. Fans yelled for their teams.

Organizers made **fake** fans at the stadium. They put pictures of the fans on the seats. The fake fans wear masks.

It is good for people who live near the stadium. There is no noise during the game.
